Gerry B. Fitzsimmons, P. Eng
National Service Manager
Cimco Refrigeration
65 Villiers Street
Totronto, ON M5A 3S1

Mr. Fitzsimmons,

I would like to take this opportunity to congratulate you on the extraordinary team at Cimco Toronto. For the past year I have been working with Al Kunkel, Shannon Macor, Camille Zabbal and Garret on the Ammonia Refrigeration Project at the Kraft Ingleside Plant.

Their service has been superb. Their professionalism, their problem solving skills as well as their work ethic has allowed us to meet the strict project schedule within budget. And I assure you, in this case, it was not an easy task.

It has been a pleasure working with your team and I would like to say in the past 10 years of my project management experience I have not encountered a contractor team as effective. I look forward to dealing with you on future projects.

Thank you,

Sonia Savvides
Project Engineer
