

Material Handler

CIMCO has an immediate opening for an organized and enthusiastic **Material Handler**.

Based out of our Central office located in Vaughan, the successful candidates will be working closely with the Warehouse Supervisor to coordinate the flow of orders and materials in and out of the warehouse in a safe, efficient and timely manner to job sites throughout the GTA.

Location: Vaughan, ON

Responsibilities:

- Assisting in the loading and unloading of trucks
- Shipping & Receiving material
- Picking & Packing orders
- Computer Data Entry (SAP)
- Assist with returning material
- General Warehouse and Office Maintenance
- Driver backup if needed (small pickup, truck or van)
- Clean up of Shop and Yard
- Moving and returning cylinders

Required Skills & Qualifications

- Clean driver's abstract
- Computer Skills (SAP experience an asset)
- Fork Lift License required

The Material Handler will work from 7:00 am to 4:00 pm and may be asked to work overtime/after hours when required.

Company Profile

CIMCO specializes in the engineering, design, manufacture, installation and service of complex thermal building solutions for industrial, process cooling and recreational refrigeration and mechanical systems. For more than 100 years, CIMCO's leadership and unparalleled research, development and manufacturing programs has put us at the forefront of industry advancements and technological breakthroughs. Our professional engineers, technicians and designers apply innovative state-of-the-art equipment and refrigerants to develop systems that meet even the most complex thermal challenges.

Interested/qualified candidates may submit their current resume in confidence to:
