Dear Mr. McLeod,

I wanted to offer my personal thanks to you and your team for their extra effort in helping us bring the Caledon Community Complex's second ice pad on line so quickly.

I have had a tour of the facility and I can tell you, the arena is a proud addition to our Town's recreational portfolio. The extremely tight deadlines imposed made the process all that more challenging and I want to thank you for helping the Town meet the ambitious time frame set for the arena's construction. Your responsiveness to our requests and your professionalism in working with the Town was essential in completing this project on time and on budget.

Once again Mr. McLeod, thank you for your extraordinary effort in helping us deliver this much needed facility to our residents in such a short time.

Sincerely,

Marolyn Morrison
Mayor
