Cimco Refrigeration

61 Villarboit Cres. Unit 1
Concord, ON
L4K 4R2

Attention: Mr. Steve McLeod

Re. Caledon Arena Phase II

Steve, the purpose of this letter is to express our thanks for the attention and responsiveness Cimco has committed to this project.

We recognize the challenging nature of the schedule and sequencing of activities with which the collective efforts of all involved will contribute to effectively meeting the project objectives and milestones at the end of this month.

The success of this important project has benefited from Michael Fairey and Norm Kloke's attention administratively, as well as with Sam Cammisuli's coordination efforts in the field with the support of all the Cimco field staff working diligently on site.

Thanks again and we look forward to working with Cimco on both the Merivale arena and the Clarence Rockland Hockey Academy Twin pad projects with your Ottawa office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul McDonald", is written over a light blue circular stamp.

Paul McDonald
President
