Attn.: Mr. Steve McLeod, President

Subject: Nestlé/Cimco National Purchasing Agreement

Dear Steve,

Nestlé Canada Inc. has enjoyed an excellent relationship with Cimco over the last 15 years. We have found your people to be most helpful in their approach to finding solutions to our refrigeration requirements and have enjoyed excellent service, workmanship and follow-up on projects. As Nestlé Canada has grown we realized that we needed a National partner on our refrigeration team.

The National Purchasing Agreement, signed in June of 1999, has allowed us to access your engineering expertise and the talents of your local installation and service crews under a mutually agreeable pricing structure. This has worked very well in the past six months and we are pleased to see more of our operations turning to Cimco for all their refrigeration needs.

We are looking forward to many years of excellent service from our partner, Cimco Refrigeration.

Sincerely,

Len Trembley
